PREFACE.

In submitting this issue, delayed somewhat because of the abnormal conditions prevailing, we acknowledge the assistance of the various Public Officials, society secretaries and others, given again so wholeheartedly.

Every care has been exercised to ensure accuracy, but for errors which may inadvertently have been made and such omissions as there may be we express our sincere regret.

Additional information, corrections and suggestions for improvement will be gratefully received.

Our thanks are tendered to subscribers for their continued support, and to the increasing number of business firms availing themselves of the publicity afforded in the book. This consistent encouragement is greatly appreciated.

As in previous years the various sections of the book are printed on differently coloured paper to facilitate quick reference.

Additional copies of the plan of the District by John Bartholomew & Son, Ltd., Edinburgh, may be obtained from us at this office, price sixpence each.

Always! on Time!

That is the service you get when you send your laundry to us, Everything washed spotlessly sweet and clean and back at the time promised.

Yet We're Slow!

Sounds like a paradox. But we don't sacrifice careful work for speed. We wash your things as slowly and carefully as you would yourself. Another advantage of OUR Service! We use nothing but pure soap and rain soft water which cuts the dirt but saves your clothes.

Send Us Your Clothes
